To start the registration process.....

Go to: <https://nhsra.equestevent.com/>

Once a new member creates their account and/or a returning member renews their membership, the Membership Application, Minor's Release (and Transfer Request Form, if applicable), are computer generated and you will need to print them.

1 – IN STATE Transfer - **High School Members**

If transferring from another district you must first submit a transfer request and letter to the district secretary at ihsra3@gmail.com, she will then send to the transfer committee and let you know if you are accepted so you can continue with your transfer paperwork.

Out of State Transfer - High School Members

If transferring from out of state, must fill out a state transfer form located on the NHSRA website, obtain signature from State Presidents and send letter/email explaining reason for transfer. The District 3 board will then vote on transfer. Then send form to Idaho High School Rodeo President and then upload document of NHSRA website.

JUNIOR HIGH STUDENTS DO NOT NEED TO FILL OUT TRANSFER DOCUMENT – THEY HAVE THE ABILITY TO CHOOSE ANY DISTRICT THEY DESIRE

2 - Membership Application: **For ALL Members**

The Membership Application must be signed by the member and both parents or legal guardian. If only one parent is signing the form, they must note the reason on the signature line. For example, DECEASED, SOLE CUSTODY, DIVORCED AND FULL CUSTODY, etc. Handwritten signatures required. This information is contained on the bottom of the Membership Application. For legal purposes, we will not accept paperwork without the appropriate signatures. After getting all signatures on the application,

Upload to your NHSRA Account.

3 - Minor's Release : **For ALL Members**

The Minor's Release must be signed by the member and both parents or legal guardian before a notary public. Once again, if only one parent is signing the form, they must note the reason on the signature line. For example, DECEASED, SOLE CUSTODY, DIVORCED AND FULL CUSTODY, etc. Handwritten signatures required. If a member appears before a notary to sign their Minor's Release and the notary refuses to notarize the member's signature because the member does not have a government issued legal identification, this needs to be noted on the Minor's Release by the notary. The member is still required to sign the Minor's Release. For legal purposes, we will not accept paperwork without the appropriate signatures. **After all have signed before a notary public (and indicated as such on the application), Upload to your NHSRA Account.**
